CHILD RESTRAINTS GUIDE

EFFECTIVE FROM OCTOBER 2026 ONWARDS

The law in Australia states that children under seven years of age must be safely fastened in an appropriate child restraint.

Compatible vehicles can accommodate a **maximum of two (2)** child restraints.

BABY SEAT

0-6 month | 0-9kgs

NOT available for hire from Cruisin'.

CHILD SEAT

6 month - 4 years | 9-18 kgs

Available for hire from all Cruisin' branches.

BOOSTER SEAT

4-7 years | 14-26 kgs

Available for hire from all Cruisin' branches.

***Note**: The ages listed above are a **guide only** for your child's safety. If your child is **too small** for the restraint recommended for their age, keep them in their **current restraint** for as long as needed. If your child is **too large** for their recommended restraint, move them to the **next appropriate level of child seat**.*

IMPORTANT SAFETY INFORMATION

- The dining table **must be removed** / stowed while driving
- Child restraints can **only** be fitted in **approved** seating positions
- Customers need to check which motorhomes **can accommodate** child restraints
